Super Lawyers names Minnesota's top lawyers as chosen by their peers and through the independent research of Law & Politics. The list of 2005 Minnesota Super Lawyers is based on surveys of the approximately 16,000 active lawyers across the state. The goal was to select as Super Lawyers the top 5 percent of Minnesota attorneys in more than 60

practice areas. The list of Minnesota Super Lawyers is published annually in the August/September issue of *Minnesota Law & Politics* and the August issues of *Mpls.St.Paul Magazine* and *Twin Cities Business Monthly*.
