Michael Bryant

Pursuing Justice For The Injured

The attorneys at Bradshaw & Bryant have dedicated nearly 45 years to fighting relentlessly for justice for injured clients and ensuring that rights are protected. The firm's attorneys and paralegals work collaboratively to devote significant attention to each case.

Michael Bryant and Joseph Crumley are certified trial specialists, a small minority of licensed attorneys in Minnesota. This expertise—and their vast experience in court—means they have the skill, strategy and know-how to bring cases successfully to trial.

The firm has two offices and is known for aggressively representing people who are injured in accidents and helping families across Minnesota through the wrongful death of a loved one. The attorneys also represent clients in criminal matters, protecting their rights as they face charges.

Bryant and Crumley have been named repeatedly to Super Lawyers—Bryant for 17 years and Crumley for 14—a testament to their strong reputation among Minnesota lawyers.
